

Application for Institute of Advanced Studies in Climate Extremes and Risk Management

Application: Institute of Advanced Studies in Climate Extremes and Risk Management

Nanjing, China, Fall 2019

* Only senior Ph.D. students (who will graduate in less than two years) or early career scientist (normally in the early stage of research career) may apply.

* Selection will be based on information registered online.

*Application must be submitted by 28 March 2019.

If you have any issue accessing the online form, please contact wcrp@wmo.int.

*** 1. Personal Data**

Family name

Given name

Affiliation

*** 2. Country of residence**

*** 3. Nationality**

*** 4. Date of birth**

DD/MM/YYYY

*** 5. Gender**

*** 6. Contact Information**

Email

Telephone

Mailing Address

*** 7. Early Career Scientists?** *(Early career is nominally taken to include scientists who are within seven years of having earned their Ph.D.. Consideration will also be given, however, to those who are still in the early stage of their careers but have seen these interrupted by family leaves, and the like.)*

Indicate year since your Ph.D., if it is more than 7 years, explain the reason for interruption.

*** 8. Education (Only for currently attending or last attended):**

Year of the latest degree obtained

Town/Country for Institution

Brief summary of Ph.D. Thesis
(Please limit the length of your answer within 10 lines.)

9. Professional position (if applicable):

Current position

Town/Country for Institution

Brief description of duties (limit to 10 lines.)

*** 10. Relevance of your application to the objectives of the summer school**

*** 11. Your experience relevant to the summer school (if you have relevant publications, provide links to the publications).**

*** 12. Tell us what you would like to achieve for attending the summer school (If any, please include a brief description on your research/application plans that could be benefitted from the summer school.)**

*** 13. A brief CV**

Choose File

No file chosen

*** 14. Your language skill (note that English is the working language at the school).**

English is my native language.

I am qualified with the language skill, to easily understand scientific and technical lectures conducted in English.

*** 15. Financing**

- I will pay all expenses myself .
- A sponsor or scholarship (none WCRP fund) will pay for me(PERHAPS we need to ask for a support letter in this case).
- I am applying for a financial assistance: Air Tickets or Land Transportation (Please note that living expenses during the summer school will be provided by the host, Nanjing University of Science and Technology: NUIST.)

16. Acknowledgement and submission

- I certify that I have answered the above questions truthfully and completely to the best of my knowledge.
- I acknowledge that, by submitting this application, information may be viewed by the organizing team for the selection and communication purpose.
